173 Trigger Trapp Rd.
Anacoco, La. 71403
337-392-0100

Be certain oil is NOT mixed with water or other substances! Call for details on quantities accepted.

Some Dos and Don'ts:

- ✘ NEVER dispose of used motor oil on the ground, in a ditch, creek, river, or lake, in a storm drain, or in the garbage.
- ✘ Do NOT mix used motor oil with anything else, such as gasoline, solvents, antifreeze, or water.
- ✓ Transfer your used motor oil to a clean leak-proof plastic container with a screw on top (milk jug, empty oil container, etc.) and put the top on firmly to prevent leaking or spilling.
- ✓ Prior to discarding your used oil filter, punch an air hole in the dome end of the filter. You may use a screwdriver, but be careful not to puncture your hand. Also, puncture the anti-drain back valve (if present) located at the flat end of the filter. Allow oil to drain from the filter and combine it with the rest of your used motor oil for recycling.

Louisiana Drinking Water Protection Team Louisiana Department of Environmental Quality, Aquifer Evaluation and Protection Section, P.O. Box 4314, Baton Rouge, LA 70821-4314, Phone: (225) 219-3510
